1 Albania

Suppose that you have been sending text messages from your mobile phone for several weeks. Today, however, you can't send text messages. You want to try to solve the problem.

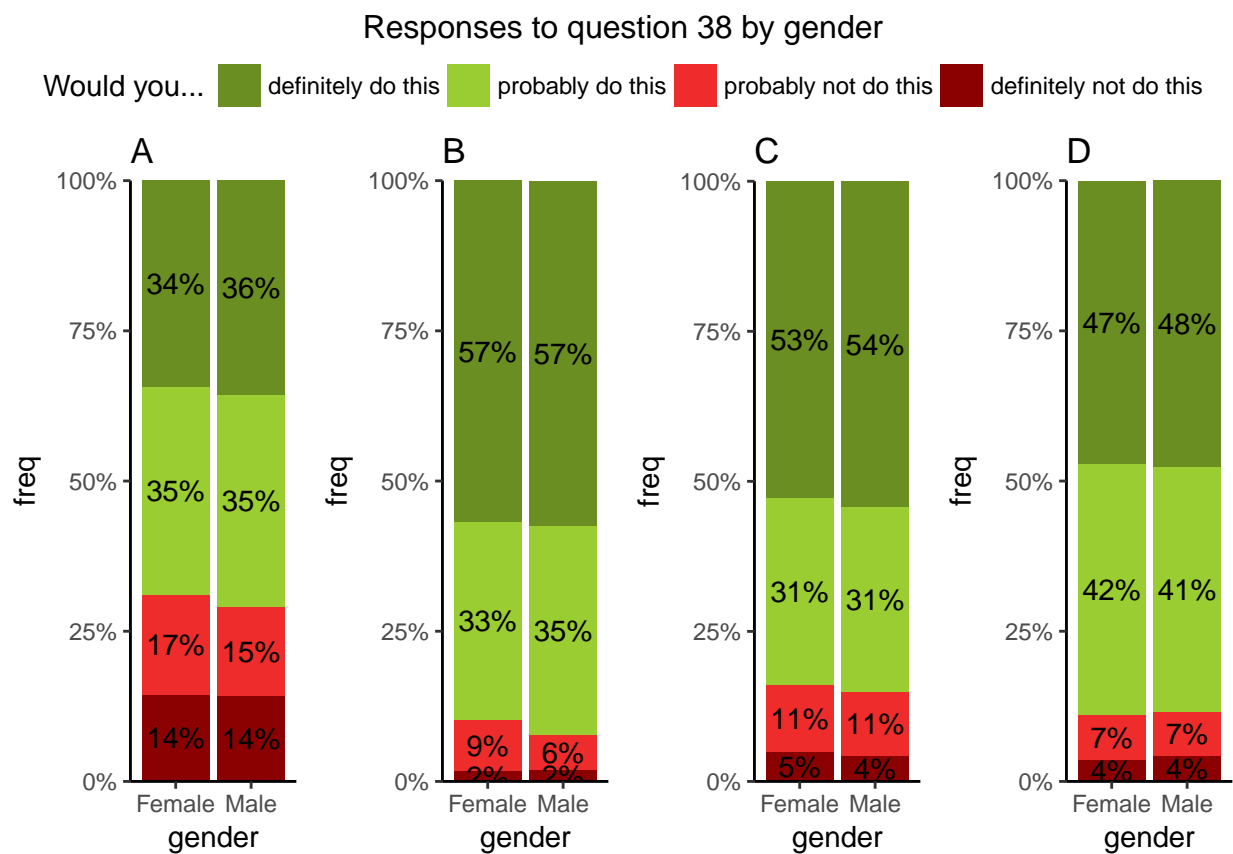

What would you do?

A = I press every button possible to find out what is wrong.

B = I think about what might have caused the problem and what I can do to solve it.

C = I read the manual.

D = I ask a friend for help.

2 United Arab Emirates

Suppose that you have been sending text messages from your mobile phone for several weeks. Today, however, you can't send text messages. You want to try to solve the problem.

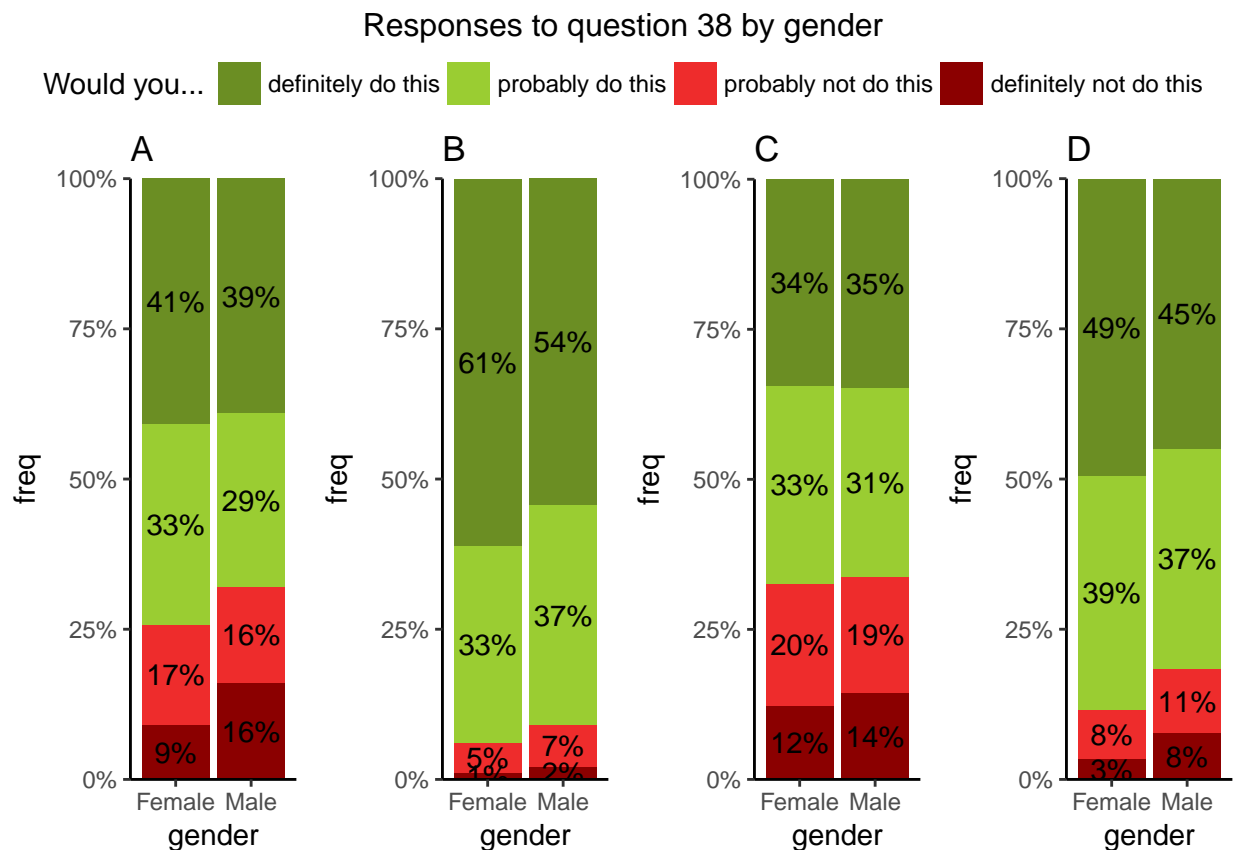

What would you do?

A = I press every button possible to find out what is wrong.

B = I think about what might have caused the problem and what I can do to solve it.

C = I read the manual.

D = I ask a friend for help.

3 Argentina

Suppose that you have been sending text messages from your mobile phone for several weeks. Today, however, you can't send text messages. You want to try to solve the problem.

What would you do?

A = I press every button possible to find out what is wrong.

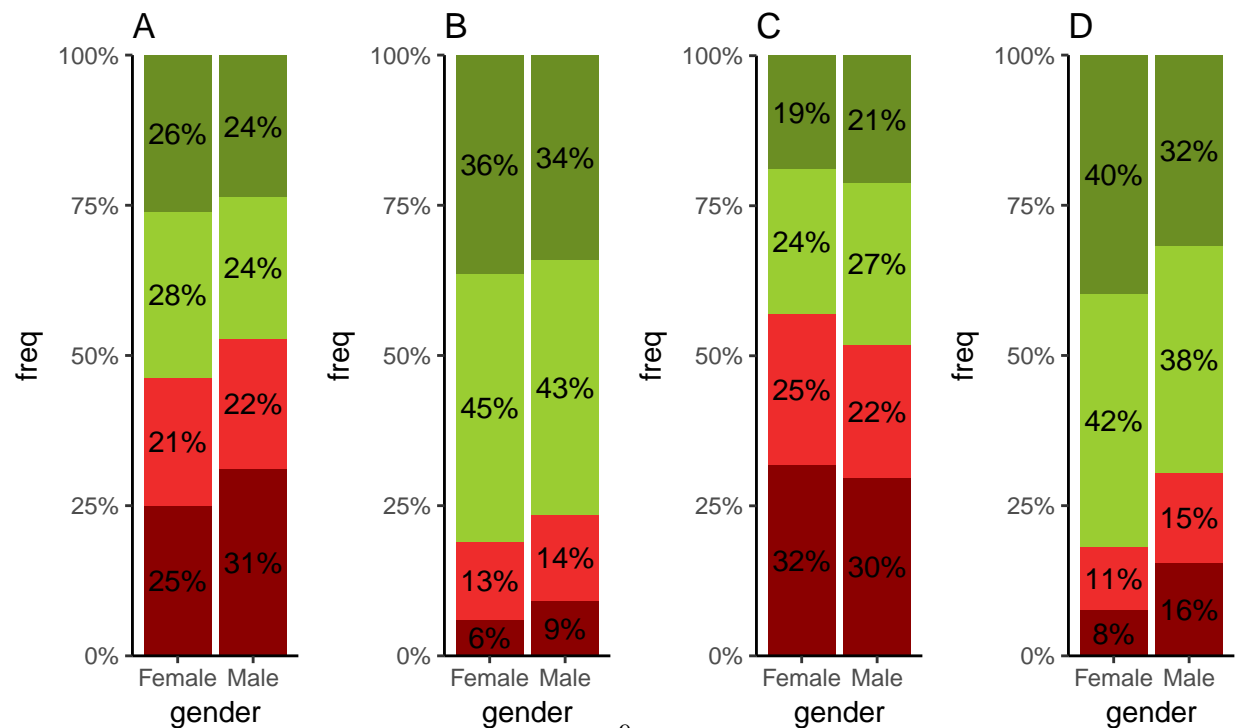

B = I think about what might have caused the problem and what I can do to solve it.

C = I read the manual.

D = I ask a friend for help.

Responses to question 38 by gender

Would you... ■ definitely do this ■ probably do this ■ probably not do this ■ definitely not do this

4 Australia

Suppose that you have been sending text messages from your mobile phone for several weeks. Today, however, you can't send text messages. You want to try to solve the problem.

What would you do?

A = I press every button possible to find out what is wrong.

B = I think about what might have caused the problem and what I can do to solve it.

C = I read the manual.

D = I ask a friend for help.
